

ALBERTA HIGH SCHOOL RODEO ASSOCIATION

GRADUATION INFO:

You have Graduation Set-ups this weekend!
Graduation is the ONLY situation that justifies a set-up!

All of the grads will be taking their runs either on Saturday or Sunday.

This is how things must work to satisfy the rulebook:

The judges cards and timers sheets will look normal (the graduate will not be listed twice on one card).

Stock is drawn normal for both days. They will have the stock on their first run that was drawn for them on Saturday.

The judge's cards and timers sheets will have the graduates highlighted. Where the names are highlighted the run WILL NOT be taken.

They will be the first and last in their event on Saturday or Sunday. (For a Saturday grad set-up they are in their section of their event and last one to go, to finish & to start the 2nd go. For a Sunday grad set up they are first one out at the start of the section of their events to finish off Saturdays go then goes where they are in the Sunday program

Be sure that you put Saturday's or Sunday's highlighted cards with the Sunday's cards for your judges and timers to mark. I will put a highlighted line at the beginning of Sunday's section to remind you that a graduate is in this section and that they must go first.

The key is to remember that Saturday's perf. Must be complete before you start Sunday.

If you have any questions please call. Have a great Rodeo!
