

RE: USTRC Shoot Out Positions

DATE: April 21, 2008

REMINDER:

The United States Team Roping Championship, Inc. (USTRC) awards eight regional shoot out spots per NHSRA state and province (Four per High School and four per the Wrangler Division). These shoot-out spots will be awarded to the top four teams at the state/provincial finals (Contestants must be a USTRC member prior to state/provincial finals rodeo). This sponsorship award is held to the following restrictions and criteria:

- The NHSRA/Wrangler Division team roping members awarded USTRC regional shoot-out positions can use this position to compete in any one of the USTRC regional shoot-out ropings.
- A state or province will not be allowed to roll down to any member finishing lower than fourth place in the team roping if a position is unfilled or a member is deemed ineligible to compete.
- To utilize any USTRC shoot-out position, a NHSRA/Wrangler Division member earning this position must be current members of the USTRC, and in good standing at the time the shoot-out spot was earned (the beginning of their respective state/provincial finals).
- USTRC regional and national shoot-out positions awarded through this sponsorship to NHSRA/Wrangler Division members are defined as “an earned right to compete in these special USTRC shoot-out ropings”. However, those NHSRA/Wrangler Division members earning a USTRC shoot-out position through this sponsorship will still be responsible for any entry fees associated with the USTRC shoot-out roping.

PLEASE PASS THIS INFORMATION ALONG TO YOUR MEMBERS AS MUCH AS POSSIBLE PRIOR TO YOUR STATE FINALS.
