

During the Mid Winter Meeting in January the rules committee met and requested rule changes for the following which were approved by the full board. Below is a summary of those rules that need your attention for the 2011 NHSFR & NJHSFR. Changes are in yellow. These will be ground rules for the 2011 NHSFR & NJHSFR and it is suggested that these changes be implemented at your state finals to mimic the NHSFR & NJHSFR. Obviously some of these changes do not apply to the Junior Division.
